

Energie effizient nutzen.

#### 4 Getting there by **motorway** (from Germany and Italy):

##### Heliotherm Wärmepumpentechnik Ges.m.b.H.

Sportplatzweg 18

A-6336 Langkampfen/Tirol

Tel.: +43/(0) 5332/8 74 96-0

Fax: +43/(0) 5332/8 74 96-30

E-Mail: info@heliotherm.at

Web: www.heliotherm.com

##### Coming from Germany by car:

To get to Langkampfen, head to Munich, then Rosenheim, then Kufstein. Continue **in the direction of Innsbruck**. After approximately 8 km, you will reach the **Kirchbichl-Langkampfen motorway exit**. Leave the motorway at this exit. At the roundabout, take the first exit (to Kufstein). Follow the road for 2 km. On the way, you will drive through Unterlangkampfen. After approximately 1 km, you will see the beginnings of the industrial estate on your right. **Turn right** just before the forwarding company **Transalpina**. Follow the road until you reach our plant (next to the sports grounds).

##### Coming from Italy by car:

To get to Langkampfen, head to Bolzano/Bozen, then Brennero/Brenner, then Innsbruck. After crossing the Austrian border, take the A13 in the direction of Innsbruck. At Innsbruck, transfer to the **A12 in the direction of Munich (München) – Salzburg**. After some 60 km, you will reach the **Kirchbichl motorway exit**. Leave the motorway at this exit and turn left at the crossroads in the direction of Langkampfen. After the motorway underpass you will come to a roundabout. Take the second exit (to Kufstein). Follow the road for around 2 km. On the way you will drive through Unterlangkampfen. After approximately 1 km, you will see the beginnings of the industrial estate on your right.

**Turn right** just before the forwarding company **Transalpina**. Follow the road until you reach our plant (next to the sports grounds).
